RELCO®

COMPANY PROFILE

RELCO is a well known ISO:9001:2008 certified company. Based at Delhi, India; we commenced our organization in the year 1987 with a mission to strictly follow client centric approaches throughout our business activities. In 1987 Relco Industries was launched to manufacture Tubelight and starters of world class standards. The Relco industries denotes "Best quality at reasonable price".

At Relco industries, we are aware that our customers face immense competition. Our operation effectiveness affects our customer's business performance directly. We believe that the competitive edge can be obtained by providing goods of exceptional quality and timely delivery. To achieve consistent quality, each and every product of our range is tested to ensure that product meets world class quality standards every time.

Our successful businesses establishment rests on certain parameters such as customization of products and stringent quality checks that helps us to acquire a long list of clientele in the Indian & Global market.
